

## Join as an Editorial Member

Being an editorial member is productive and venerable, which helps in add-on to the scientific world through the guidelines and inspirations shared by experts in the relevant fields. There are some important rewards that make the editorial board members worthwhile. As a platform for global scholarly communication, Luminescence welcomes worldwide experts and researchers from relevant fields that in line with the scope of our journals to join our editorial group as the advisory board to ensure the high quality of our publications and to better serve the peers in the scientific community.

The communication with editorial board members is done primarily by e-mail. The term for editorial board membership can be renewed annually. Respectively, there is also an opportunity for editorial board members to be promoted to be the section editor, guest editor or editor-in-chief of a special issue.

### Responsibilities and Benefits for Editorial Board Members

You are expected to undertake corresponding duties and will be entitled benefits while working with us as an editorial board member of our journals.

#### Responsibilities of EBMs:

- Advise on journal policy and scope;
- Review assigned manuscripts and recommend reviewers;
- Make a decision on the assigned manuscript;
- Contribute and recommend high quality papers to the journal;
- Choose topics and act as guest editors of the special issues;
- Promote the journal to academia and improve the visibility and influence.

#### Benefits for EBMs:

- You are required to read carefully the manuscripts in your area of importance and interest. This is the way you are routinely forced to keep yourself up-to-date while checking and suggesting the changes in manuscripts.
- This work helps to add in and provides a better way to create your identity as a well-known expert in your field and may lead to increased invitations to speak at conferences or demand for invited research of your specialized area.
- Your ideas and subject inputs may help in arranging special issues as per topics of your interest and choice.
- You will come across the latest research before everyone else and gives you a position of leadership in your research community.
- Certificate will be provided to the editorial board members for their contribution to our journals.
- As deep gratitude for editorial members' support and contribution, accepted manuscripts from editorial members can be published in our journals for free.
- For your outstanding contribution and excellent performance, you will be invited to cooperate with us for creating a new journal in your study fields and to take a managing role for it.
